

Students:

Each fall over 100 college admission counselors come to Walton to present information about academic and special programs, admission requirements, and campus life.

- College visits are open to **Walton junior and senior students (only)**.
- Students must sign up in Naviance 12 hours in advance – only students who have signed up will be allowed to attend the meeting.
- Students must get teacher approval to attend a visit in advance. It is always the teacher's decision to allow the student to miss instructional time to attend a college visit.
- Show your teacher a screenshot of your Naviance visit registration or print a copy of the email that Naviance will send you 24 hours in advance of your visit to be excused from class.
- Students are responsible for making up any missed classwork.
