# Students NEW to Cobb County Schools- Password for Laptop Setup

Before you set up your laptop, you must login to Office 365 and change your password.

- Go to cobbk12.org and click on *Login*, then select *Office 365*.

- Enter your username: firstname.lastname@students.cobbk12.org
- Use this password when logging in for the first time: happy

You will then be prompted to change your password. Please choose something you will remember since it is used for Office 365, StudentVUE, and CTLS. Finally, use your new password to setup your laptop.
