WALTON HIGH SCHOOL
DIGITAL EXPECTATIONS

LEARNING ENVIRONMENT

DIGITAL ETIQUETTE

Students are expected to join live digital sessions through CTLS with cameras on unless arrangements have been made with your teacher.
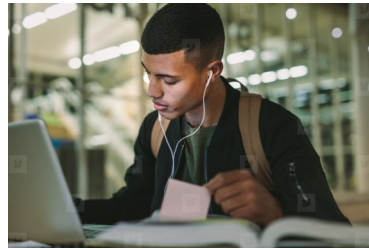

Prior to class, you should…

— Plug in and/or charge device

— Eat and use the bathroom

— Be ready to learn!

Do your best to create a digital learning environment with…

— Good lighting

— Minimal distractions

— Minimal noise

During a live digital session you should…

— Be the only one seen

— Mute your mic unless speaking to the whole class

— Ask relevant questions

— Stay polite and on topic in chat

— Maintain appropriate school behavior

— Dress in appropriate attire

ATTENDANCE

DAILY ENGAGEMENT

You are expected to be logged in and on time to the live "class" digital session.

Teachers will contact parents if students are frequently late and/or absent from digital sessions.

Be focused, be attentive, and be an active participant every day.

Be respectful to your teachers/peers in all communication (chat, posts, email, etc.)

ACADEMICS

ASSIGNMENTS AND ASSESSMENTS

All instructions, resources, and content assignments can be accessed through the CTLS platform.

Due dates and times will be communicated clearly and frequently in each class.

All assignments and assessments are to be completed individually unless teachers have indicated otherwise in accordance with the Walton Honor Code.

Content mastery will be determined through formative and summative assessments using digital tools.

Make up assessments will be scheduled in accordance with the student handbook attendance policies.

Testing accommodations within a student's 504/IEP must occur on the same day as the scheduled assessment. Students and teachers will develop a plan prior to the assessment.
