

## Updates to Zell Miller Scholarship (rev. 2-2-24)

### Zell Miller Scholarship Test Score update

The minimum ACT Composite score for High School students who graduate from an eligible high school after December 31, 2023, is now 25. This is the equivalent score of a 1200 SAT as of the most recent Concordance Guide published by ACT and College Board. ### GSFAPP – State Aid Application

Students planning to attend an eligible college or university in Georgia are encouraged to complete the GSFAPP via GA Futures, in addition to the FAFSA. The new version released in September is user-friendly and quick. The GSFAPP is used to apply for the HOPE and Zell Miller Scholarships, HOPE and Zell Miller Grants, Georgia Tuition Equalization Grant (for private colleges), and IPSE Program Grant. It is good for 10 years, unlike the FAFSA, so there is no need to apply annually for this state aid. Students do need to have a student account on GA Futures, which is a secure site, that includes their SSN. To access GSFAPP, visit <https://www.gafutures.org/checs/studentapp>
