HIGH SCHOOL HINTS

-Students are not allowed to retake assessments to improve their grade. Be well prepared for every assessment!

-Teachers are available before and after school as well as WEBs for extra help and make up work.

-Use WEB time wisely!

-Take a course load that is right for your student. We want BALANCE!

WAIVERS

What is a waiver?

A form you submit to request a course one academic level different from the teacher recommendation.

How do I submit a waiver?

Electronic form will be distributed, and waivers are due May 1st.

What does this mean for my child?

Your child will be required to stay in the course for the semester even if the teacher decides he/she is misplaced.

WHY IS REGISTRATION IMPORTANT?

-We build our master schedule and hire staff according to student course requests.
