Curriculum & Scheduling

At Walton, there are two semesters in the August - May school year. Credit is granted for each semester independently of any other semester. Walton High School is on a 7 period traditional day schedule where students take six classes and a lunch each day. Students can choose to take one additional course online per semester through Cobb Virtual Academy (CVA) or Georgia Virtual School (GV).

Special Programs

Walton STEM Academy

The Walton High School Science, Technology, Engineering and Mathematics (STEM) Academy offers students a rigorous curriculum driven by problem solving and discovery in a student-centered environment and is designed for students who have a desire and passion to pursue one of three majors: Advanced Mathematics and Science, Engineering, or Biomedical Science. Students must apply and be accepted into this program. More information can be found at www.waltonstem.com

Walton International Spanish Academy (ISA)

The International Spanish Academy (ISA) at Walton High School is a very rigorous educational program in Spanish and English offered through the collaboration of Walton High School with the Ministry of Education of Spain. Graduating ISA students have taken four years of intensive Spanish at Walton and four Honors or AP content area courses that included a delivery component in Spanish. Approximately 30% of an ISA student's overall coursework is conducted in Spanish. ISA students take an AP exam at the end of each AP course in the program. Students must apply and be accepted into this program. More information can be found at www.waltonisa.org

Pathway Programs

Walton High School offers complete pathways in the following areas: Financial Marketing Services Career Pathway, Computing Career Pathway, Therapeutic Services-Physical Medicine Career Pathway, Graphic Design Career Pathway, Broadcast/Video Production Career Pathway, and Engineering and Technology Career Pathway (based on the national curriculum of Project Lead the Way).

Grading & Ranking

Grade Point Average (GPA) is computed on a 4.0 scale, with extra quality points given for honors courses, AP courses, courses beyond AP, and the 4th, 5th, and 6th year of a world language. GPA calculation includes all courses on the transcript except for credits earned prior to entering 9th grade.

Numeric grades on the transcript are the actual grades a student has earned. Extra quality points are only added to the overall weighted GPA on the transcript. Walton High School does not rank.

Grading Scale:

A = 90 - 100

B = 80 - 89

C = 74 - 79

D = 70 - 73

F = 69 & Below

Transcript Legend for Non-Walton courses:

CVA - Cobb Virtual Academy

GV - Georgia Virtual School

DE - Dual Enrollment

Advanced Curriculum

AP students: 1,567
 AP exams taken: 3,652
 AP exams scoring a 3 or higher: 3,506 (96%)

Students enrolled in AP courses are expected to take the corresponding AP exam. Walton does not limit the number of AP courses a student may take; however, AP Human Geography is the only AP course available to most 9th grade students, with limited AP options in 10th grade. Walton's traditional schedule provides fewer opportunities for students to take multiple AP courses in a year compared to schools on a block schedule.

AP Courses Offered

AP Art History	AP Literature and Composition
AP Biology	AP Macroeconomics
AP Business & Personal Finance	AP Microeconomics
AP Calculus AB	AP Music Theory
